OPEN HOUSE – THANK YOU

Thank you to everyone who attended the open house on Wednesday! We hope you enjoyed finding out what your students are learning about. We also hope you had an opportunity to pause and admire the artistry display with items created by students Nildalany, Cameron, Athena, Brianna, Levi, Alistair, and Carla.

ADMISSIONS ARE OPEN

We are now accepting applications for the 2025-26 school year. If you know of any hardworking 8th graders who might be interested in our program, please send them to our Info Nights for Prospective Families on 11/14 or 11/19, which begin promptly at 5:30. They can reach out to us at admissions@sparkacademynh.org for more information.

ROBOTICS TEAM NEWS

Thank you to everyone who attended the Season Kickoff Cookout last week, and thank you to the team mentors for the meal! Please be sure to return your signed contract, waiver, and fee as soon as possible if you have not done so already. Reminder: we are hosting the first competition of the season at MCC on Saturday, October 19. **Concession stand food donations:** <https://www.signupgenius.com/go/10C0A49A9AB2AA1FE3-51639185-vexrobotics>
Concession stand volunteer shift signup: <https://www.signupgenius.com/go/60B044AA4AF23A3F85-51633611-robotics>
All proceeds from the concession sales benefit the team. Thank you!

PIZZA FRIDAYS

Please support your Fourth-Year students in their efforts to raise money for their graduation activities by purchasing some pizza for lunch on Fridays.

CONSTRUCTION CAREER DAYS

Our students attended NH Construction Career Days last week and represented Spark well. Photos in this edition are from that two-day event and were taken by student photographers!

PARENT SUPPORT COMMITTEE

This group will meet every second Tuesday at 7:00 PM starting next week. Anyone interested in being part of the PSC subgroup for staff appreciation should email Mrs. Larochelle for Adrienne Connors' contact info. She is organizing those efforts! Thank you.

TUTTLE THOUGHTS

Thank you all for coming to our open house and being part of our community to work on ways to help support our students in their journey at Spark Academy. I really enjoyed seeing families and teachers communicating and getting on the same page. As we continue to move through the year, these conversations will be the key to our success.

Please remember that we are a team and need to be working together to reach the common goal for each student. No two students are the same and we need to find ways to help each one reach their full potential. Progress reports will be sent out on 10/11 and if we need to start setting up individual meetings for students, now would be the time to set those up.

Please email the teachers when you have questions and if you are having any trouble with this please reach out to me. Hope you all are doing well and looking forward to a great October.
